

# FACE HYDRATE

## MASSAGE CREAM NEUTRAL - FACE

Neutral cream ideal for those who want a moment of relaxation and want to regain their psycho-physical well-being. Its soft and smooth texture makes it particularly suitable for promoting facial massages and to prevent skin dryness, giving a smooth, compact and hydrated skin.

### What skin type and at what age?

Massage Cream Neutral is suitable for all skin types and can be used at all ages. Its neutral formula makes it a transversal and versatile cream, always at hand to give nourishment and hydration to the skin.

### How to use?

1. Apply on perfectly cleansed and dry skin.
2. Apply gently to the face and massage until completely absorbed.

### Focus on

**WHEAT GERM OIL:** oil rich in polyunsaturated fats that prevents skin dryness maintaining the natural hydrolipidic film skin. It has antioxidant properties as a source of B complex vitamins and especially Vitamin E. It protects the skin from the aggression of external agents and it counteracts skin aging.

**SOY OIL:** extracted from soybeans, forms a protective hydrolipidic film that counteracts and prevents skin dryness by defending the skin from external agents.

**VITAMIN E ACETATE:** powerful antioxidant, fights free radicals and protects the skin from environmental stress.

**MALLOW EXTRACT:** obtained from the leaves of the herbaceous plant of Mallow, plays an intense emollient, softening and refreshing.

**HELICHRYSUM EXTRACT:** obtained from the flowers of the Helichrysum plant, has refreshing, soothing and antioxidant properties.

### Use it in synergy with:

1. **K1040 - Cleansing Milk Make-Up Remover with Marine Collagen:** delicate and moisturizing creamy milk, ideal for removing make-up and impurities from the skin surface.
2. **K1042 - Softening Tonic with Panthenol:** fresh and delicate lotion that helps to restore the hydrolipidic balance of the skin.
3. **K1060 - Hydrating Gel Mask with Marine Collagen and Red Algae:** face mask formulated to give hydration, firmness and softness to dry skin.
4. **K1050 - Intensive Hydrating Active with Hyaluronic Acid Active Precursor:** concentrate to give an intense and deep hydration, favoring the elasticity and firmness of the skin.
