

FACE ANTIAGE

INTENSIVE ANTIAGE CREAM WITH GELÉE ROYALE EXTRACT

Soft and velvety cream designed to nourish and tone dry, tired and toneless skin. Intensive Antiage Cream stimulates the production of collagen and is particularly indicated to prevent the signs of age. In addition, it can be used during season changes when the epidermis is more sensitive and the skin balance altered, for an elastic skin and a uniform complexion.

What skin type and at what age?

Intensive Antiage Cream has been formulated to meet the needs of tired and dry skin and is indicated for the treatment of mature skin.

How to use?

1. Use Intensive Antiage Cream after thoroughly cleansing the skin.
2. Apply on face and massage until completely absorbed.

Focus on

GELÉE ROYALE EXTRACT: Royal Jelly is a natural substance with anti-aging properties that improve the elasticity and tone of the skin. Rich in antioxidants, Gelée Royale Extract is also effective in preventing skin aging and counteracting the formation of wrinkles.

SHEA BUTTER: butter extracted from the Shea tree and able to maintain the natural elasticity and tone of the skin.

ALMOND OIL: oil cold extracted from sweet almonds and rich in trace elements such as Linoleic Acid and Vitamin D, useful to maintain the elasticity of the skin.

AVOCADO OIL: extracted from fresh fruit pulp and rich in Linoleic Acid. Thanks to its soothing and emollient properties, it nourishes and protects the skin in depth.

Use it in synergy with:

1. **K1040 - Cleansing Milk Make-Up Remover with Marine Collagen:** delicate and moisturizing creamy milk, ideal for removing make-up and impurities from the skin surface.
2. **K1054 - Moisturizing Lotion with Marine Collagen:** multipurpose solution indicated to give hydration and freshness to the skin.
3. **K2007U - Face, Eye and Lip Contour Lifting Cream:** designed to counteract and prevent the formation of wrinkles and fine lines.
4. **K1064 - Super Booster Vitamin C:** concentrated serum with Biofermented Acerola that keeps the skin young, healthy and bright.
