

# FACE CLEANSE

SOFTENING TONIC  
WITH PANTHENOL

Softening Tonic is a fresh, light and delicate aqueous solution, essential to complete the cleansing of the skin and prepare it to receive subsequent treatments. Its formula enriched with Panthenol maintains the natural hydrolipidic barrier of the skin and restores the normal skin pH after cleansing, while Hamamelis Water and Chamomile Extract offer a refreshing and soothing action. It can be used whenever it is necessary to give the skin of the face comfort and freshness.

#### What skin type and at what age?

Soothing Tonic is suitable for all skin types, even the most sensitive ones and can be used at any age.

#### How to use?

1. After morning and evening cleansing, or after a mask, spray the product directly on the face, or pat gently using a cotton pad.
2. Wait a few seconds and proceed with the next treatment.
3. It can be used at any time of the day, even over make-up, to give the face freshness and comfort.
4. Avoid contact with eyes.
