

HYDRATION

NORMAL AND DRY SKIN

INVISIBLE MASK SUPER HYDRATING

Marine Collagen - Kudzu

FACE

Invisible Hydration Mask to apply on face, neck and décolleté, for an immediate feeling of freshness and for an intensive hydration. It is formulated with Marine Collagen that has an elasticizing action and that donates to the skin a pleasant feeling of comfort. Signs of tiredness disappear, for a soft, radiant skin and a fresh and glowing complexion.

What skin type and at what age?

Invisible mask is suitable for all ages and all skin types.

How to use?

You can use the mask any time you need, whether morning or evening. Leave on according to your necessity and rinse off. Proceed with the usual beauty routine.

Functional ingredients and properties:

Marine Collagen	Hydrating - elasticizing
Kudzu	Softening
Vegetal Alternative of Hyaluronic Acid	Hydrating
Mallow Extract	Calming
Trace Elements	Maintain cutaneous hydration

Focus on

KUDZU: extract derived from the Kudzu plant, also called Pueraria Lobata. It maintains skin integrity, protects the complexion from dryness, increases cellular dynamism and tones the tissues.

VEGETAL ALTERNATIVE OF HYALURONIC ACID: obtained from Carrubo plant, it has emollient and elasticizing properties, similar to Hyaluronic Acid and Marine Collagen.

TRACE ELEMENTS: Zinc, Copper, Magnesium and Manganese are necessary for biological cellular processes. They play a significant role in skin normal regeneration and are essential for maintaining a long-lasting hydration.

Use with:

1. Hydrating Serum Extra Intensive. In case of very dry skin, after rinsing off Invisible mask, massage few drops of Hydrating Serum on the troubled areas.
2. Nourishing Cream Hydrating. After rinsing off Invisible mask and few drops of Hydrating Serum, apply Nourishing Cream Hydrating to give the skin protection and balance against dryness.

No paraben, alcohol, silicon and allergen added.
